## SCHOOLS (DEPARTMENT OF EDUCATION [CDE])

- On November 28, the Governor released Executive Order (EO) B-S8-18 to help ensure students displaced by the Camp, Woolsey and Hill fires are able to return to school as soon as possible, and to facilitate the use of temporary school facilities and waivers for the requirements related to class size, outdoor physical education and school district residency. The EO was coordinated between the CDE and Cal OES Legal.

## 2018 November Wildfires

Report Date: 11/30/2018

Report Time: 0800

### Butte County

- CDE is working closely with school district leaders within the county to reopen schools, including charter schools, throughout the county on 12/03/18.
  - Paradise Middle School and Paradise High School will provide instruction with a hybrid model – both online and in person at a large center - as there is no viable school setting ready.
  - (Oroville, CA) — TK-8 Concow students in the Golden Feather Union School District displaced by the Camp Fire will be relocated to Spring Valley School at 2771 Pentz Road, which will reopen 12/3/18 along with other Butte County schools. The site was closed in 2010 due to declining enrollment, but became the answer for educating district students after the Camp Fire ripped through Concow.
  - CDE is providing support to Butte County Office of Education (BCOE) to bring mental health and other counseling services to students and school staff for when they return to school. State associations and local educational agencies are providing counseling/trauma recovery services as contributed mutual aid; CDE is seeking sources of financial support to cover logistical expenses including support for transportation, lodging, food, training supplies, etc.
